DRIVE IN COMPLETE SAFETY

At Dacia, safety has always been at the heart of our concerns. Built on the latest platform designed for our vehicles, All-New Dacia Jogger has a reinforced body structure and new-generation assistance systems that make driving easier. Drive with complete peace of mind.

AUTOMATIC EMERGENCY BRAKING

The system is active between 7 and 170 km/h and equipped with a front sensor that monitors the distance between your vehicle and the vehicle in front of you. If the vehicle in front slows down or stops, you are notified by a dual audio and visual warning. If your response is slow or insufficient, braking assistance is automatically applied.

BLIND SPOT WARNING

Active from 30 km/h, this system automatically alerts you, via warning lights in the door mirrors, of the presence of vehicles in your blind spot.

AIRBAGS

Dacia's new-generation airbags are equipped with door pressure sensors and an accelerometer providing early detection of side collisions. The curtain and side airbags deploy more quickly for optimum protection of the abdomen, chest and head.

WE'VE GOT YOU COVERED

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Dacia range is one tough cookie. To prove it, you get a 3-year* warranty (or 60,000 miles, if you reach that first). This means we will replace any part which has been deemed by a Dacia approved dealer to be defective due to a manufacturing fault, free of charge. To keep the good times rolling, you can extend your warranty up to 7 years for a great price. We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Dacia will stay looking good-as-new for years to come.

ROADSIDE ASSISTANCE

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 miles Δ after you buy your new Dacia.

DACIA CAR INSURANCE 1

Dacia Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, your Dacia will be repaired at a Dacia Approved Bodyshop using only Dacia approved parts and approved repair methods. This maintains your Dacia's safety rating, protects its resale value and helps to maintain its Dacia warranty Δ . Dacia Insurance also offers a courtesy car for the duration of a repair at a Dacia Approved Bodyshop.
